(Includes 161 Sq. Ft. Porch)*

This beautiful Craftsman Style home features three Bedrooms, two Baths and a huge wrap around Front Porch. Vaulted ceilings accented with volume ceilings in selected areas and architectural detailing are standard throughout the interior living spaces. This plan is designed to accommodate a site built garage with direct access into the Laundry Room. Luxury, style and convenience define the Kitchen and Master Bath. Silvercrest's flexibility allows you to custom tailor this home to suit your personal needs.
